In a city known for healthcare, Baylor Clinic has quickly become the destination of choice for those seeking the best modern medicine has to offer.

Located in the renowned Texas Medical Center in Houston, Baylor Clinic offers all the advantages you'd expect from Baylor College of Medicine, one of the nation's leading medical institutions. And every convenience to make your visit as easy and stress-free as possible.

We offer:

- **The best minds.** In the battle against disease, knowledge is power. Baylor Clinic is home to a premier team of more than 200 outstanding physicians from a full range of specialties, all collaborating to improve your health.
- **The best medicine.** We're delivering groundbreaking

healthcare based on Baylor College of Medicine's highly acclaimed research programs, improving outcomes and the quality of life for our patients. We offer comprehensive services for all your healthcare needs, from expert primary care to leading-edge treatment in cancer, neurology and cardiovascular disease.

- **The best patient experience.** Every aspect of our environment is dedicated to improving your healthcare experience, from onsite conveniences to electronic medical records that expedite treatment to remarkably personal care tailored to your unique needs.

At Baylor Clinic, you'll find outpatient care at its best – convenient, comprehensive, respectful of your time and, above all, highly effective in diagnosing, treating and preventing disease. ■
