

C3 Networking Group is West Houston / Katy's premier networking group. The strategic networking events offers the members an opportunity to promote their business, share ideas, gain professional development, new contacts and of course business referrals.

The group meets twice a month, excluding holidays, at local restaurants and businesses in the Katy / West Houston area.

Visit www.c3networking.org for more information and our next meeting. For more information, contact Kirk Righmire at krightmire@faithwest.org or 281-250-1598.

VOLUME FIVE

PHOTO BY CASTER ANDERSON/ONE PHOTOGRAPHY

The cover photo is an aerial view of Faith West's 42-acre development in Katy, Texas. In 1982, Faith West began as an academy, seeking the excellence of God's purpose in the lives of our students. Ultimately, Faith West has grown to be so much more than a school; it has become a thriving Christian Community Center with over 140,000 square feet of enclosed buildings.

Faith West is a culturally relevant, non-traditional, inter-denominational Christian fellowship that follows mainstream biblical doctrines. Our fellowship offers corporate worship, in-depth Bible teaching, and family/life as well as fitness classes.

Facilities include a great sports complex with a double gymnasium, a rock wall, two ball fields, sand volleyball courts, and six acres of water park. Our water park features two zip lines over the lake, a seventy-five foot water slide, a twenty foot water trampoline, and two fishing lakes. Our lake is one of the highlights of Camp West, the key to summer fun. Camp West day camp serves more than eight hundred children and employs forty counselors, staff, and life guards.

Contact krightmire@faithwest.org or call 281-250-1598 to determine if Faith West has a rental facility to fill a need for your organization.
