

LAKEWOOD CHURCH

MORE THAN CHURCH, AN EXPERIENCE

3700 Southwest Freeway
Houston, Texas 77027
713-635-4154
www.lakewoodchurch.com

From our humble beginning over 50 years ago in a feed store to the former home of the Houston Rockets, Lakewood Church has grown into what Forbes calls the largest and fastest-growing church in the nation and has become a beacon of hope to people around the world. Each week, Joel Osteen's encouraging and inspirational message not only touches the 40,000 people in attendance at our services, but also the millions watching by television, podcasts, and the Internet.

From this simple message of God's love, past hurts are healed, marriages are restored, and dreams are reborn. Each uplifting service features live music led by GRAMMY® and Dove® award-winning artists, a time of personal prayer and ministry, and practical wisdom from New York Times bestselling authors, Joel and

Victoria Osteen. Around the main services, we offer engaging programs for every member of the family, and we are pioneering new ways to include autistic and special needs children into the worship experience.

Lakewood is frequently touching the Greater Houston community with collection drives, outreaches, and acts of service to demonstrate the tangible love of God to our neighbors. Our church is also an active part of the incredibly vibrant Hispanic community of Houston with our Spanish-speaking service led by Latin GRAMMY® award-winning musician and speaker, Danilo Montero and his wife Gloriana.

It is well said that the light that shines farthest shines the brightest at home. Experience Lakewood for yourself and discover the life that God has in store for you. ■
