PHOTO BY PUBLISHING RESOURCES, LLC

Reflecting the potential of the city, the modern skyline of downtown Houston is a vibrant reminder of the progress that has been made in the Greater Houston region. With an exceptional central business district, a low cost of living and a "can-do" attitude, Houston is poised to capitalize on new opportunities and growth in coming years.

Frank's International is celebrating the American dream and is still family owned to this day. Frank's International was founded in 1938 by Mr. Frank Mosing and his wife, Mrs. Jesse, as a one-crew casing company, which they started out of their family garage in Lafayette, Louisiana.

Seventy-five years later, Frank's International supports more than 4,100 employees and their families and provides top-quality professional services and products to its numerous valued customers. It is one of the largest, if not the largest, privately owned oil service companies in the world. Frank's International has more than 90 operations in more than 60 countries throughout Africa, Asia, Australia, Europe, North America and South America.
