At Shadow Creek Oral & Facial Surgery Center, in Pearland, Texas, oral and maxillofacial surgeon J. Enrique Tabarini, DDS, MS, practices a full scope of oral and maxillofacial surgery with expertise ranging from corrective jaw surgery to wisdom tooth removal. Dr. Tabarini diagnoses and treats facial pain, facial injuries and TMJ disorders, and performs a full range of dental implant and bone-grafting procedures.

The surgical staff at our Shadow Creek office includes experienced, certified oral and maxillofacial surgical assistants and a trained registered nurse who assist in surgery, IV sedation and outpatient general anesthesia. All staff members are informed administrative personnel, well-versed in health and insurance policies and CPR-certified.

Another part of the practice is our Implant Studio, which focuses on dental implants that provide a foundation for replacement teeth that look, feel and function like natural teeth so patients can eat virtually anything and smile with confidence.

At Natura One Medspa we provide skin rejuvenation through many different types of procedures. We examine each patient closely to make sure what each one's needs are. We provide our services with the utmost respect for our patients. We pay close attention to all de-

tails and rely on non-invasive treatments whenever possible to provide impeccable results for every patient. Our staff provides the best in medical-grade skincare and non-surgical treatment that results in the patients looking their best, and as fast as possible. Whether you need us to provide laser treatments, facials, Botox or fillers, your comfort and satisfaction are both our main concern.

From our spacious and comfortable treatment suites that allow for complete patient privacy to our in house cone beam CT scan, we at Shadow Creek Oral & Facial Surgery Center, have invested in the latest state-of-the-art technology to better serve our patients. Our advance training ensures the safest environment for patient care.

Our patients are treated in a professional and respectful manner. Our diagnosis and treatment plans are based on the most comprehensive information found in dentistry and medicine today. Our main goal is to provide our patients with the individualized care that they deserve.

We invite you to contact us and schedule a consultation. A member of our friendly and talented staff will be happy to assist you. Please call 713-436-0148, visit us at www.shadowcreekoms.com. We hope to meet you soon! ■
