IMAGINE HOUSTON

VOLUME ONE

IMAGINE HOUSTON

Baylor College of Medicine (BCM), one of the nation's top-ranked medical and research institutions, provides outstanding healthcare through numerous hospitals and healthcare facilities in the Texas Medical Center. We offer premier adult outpatient care through Baylor Clinic, 6620 Main Street, treating all medical concerns including cancer, neurological and cardiovascular disorders. In 2011, BCM will open Baylor Clinic and Hospital, the first facility built from the ground up to deliver personalized medicine.
