Buyers and Sellers deserve excellent representation and the guidance of professional Realtors® to navigate the complex real estate process. That is exactly what they receive when they are represented by the David Young Team. We specialize in working with Buyers and Sellers of real estate in all areas of Houston - from downtown Houston to Katy, from The Woodlands down to Sugar Land. Team members are experienced and individually successful Realtors®, supported by a full staff which provides clerical, advertising and graphic support.

For five consecutive years prior to forming the team, David H Young had been recognized by the *Houston Business Journal* as the #1 or #2 agent in the Greater Houston Area in dollar volume sales. In 2005, he leveraged this success by creating The David Young Team. The Team consists of ten successful real estate agents and two experienced assistants with expertise in all types of residential properties.

With average annual sales exceeding \$100 million, The David Young Team continuously receives prestigious local and national recognition by the *Houston Business Journal* and Coldwell Banker. Since 2005, national awards ratings for Realtors have been sponsored by the *Wall Street Journal* and *Real Trends Magazine*. Each year the David Young Team ranked in the top 100 in sales volume placing them in the top one half of one percent of the more than one million Realtors nationwide.

We are honored to represent the Kickerillo Companies, Houston's largest custom home builder, as well as other quality builders in the greater Houston area. We earn repeat business through our knowledge, experience, professionalism and results, and look forward to helping you with all of your residential real estate needs. ■
