

IMAGINE HOUSTON

No one knows better than Houston that with vision, hard work and the right attitude, anything is possible.

Go ahead. Walk up to a Houstonian and tell them they can't do something. Tell them that something's impossible. Throw the words "can't," "don't" or "won't" in their face. Then stand back and watch them prove you wrong. Watch the people of the Houston region make it happen when others say it can't be done. We tackle every challenge with a uniquely Houston attitude.

★ When many scoffed at the idea of carving through 50 miles of coastal swamp to create the largest, man-made shipping channel in the world, Houston did it anyway.

★ When leading edge health care was only accessible to the wealthy, Houstonians gave birth to what would become the world's largest and finest center for medial care, The Texas Medical Center—the greatest concentration of medical professionals in the history of mankind.

★ When Houston's "Good Guys" were down a 15-30 start at the beginning of the season, the Astros rallied to clinch the National League Championship for the first time in the 44-year history of the franchise.

★ When Houston lost its NFL franchise and experts said we would never bring another team to Houston, Houstonians ponied-up and landed another franchise —The Houston Texans.

★ And, when our neighbors to the east suffered one of the nation's worst natural disasters, Houston stood tall with an unparalleled display of manpower, resources and care, bringing hope and relief to hurricane Katrina victims.

The Houston region is a vibrant metropolis with the energy, optimism and indomitable spirit of a global leader. Eccentric? Sure, Eclectic? Perhaps. Driven? Without a doubt. But while other cities and regions have nothing to offer other than tax and financial incentives, Houston stands alone with the ultimate value proposition—a proven "can-do" attitude that transforms dreams into reality. Because no one knows better than Houstonians, that with vision, hard work and the right attitude anything is possible.

Kenneth Yellowe is a successful and well-known Houston entrepreneur and among the most dynamic businessmen currently operating on the African continent. He has founded several companies over the years and served as a partner in a hydrocarbon trading company in the Republic of Nigeria before relocating to Houston in the early 80's for studies. In 1987 he joined Credit Systems International Inc (CSI) as a partner and vice president. Yellowe went on to serve as the president and CEO of Best Marketing Inc.

As a philanthropist, Yellowe serves on numerous boards, civic/community organizations, advisory councils and foundations. He is regularly invited by national and international organizations to speak on business and social issues. He has been written about and quoted in several local and international publications such as the

Houston Business Journal, Wall Street Journal, Vanguard, ThisDay, US Africa and other publications.

In 1997, Yellowe founded Global Energy Inc. where he currently serves as its Chairman/Chief Executive Officer. Global Energy Inc. is an international oil and gas holding company with subsidiary operations in the Niger Delta area of Nigeria, which is one of the most prolific petroleum producing regions in the world. Today, Global's Nigerian operations, (Global Gas & Refining Ltd), is the largest and only independent gas processor and LPG producer in Nigeria. Additionally, Global has operations in Venezuela. Currently, Global is in a joint venture agreement with the Federal Capital Territory (FCT), through its Abuja Investment Company, for gas distribution throughout the FCT.

Yellowe and his wife, Pamela, have five children. In his spare time, Yellowe assists in children's sport activities, plays chess and basketball and listens to music.
